Description of goods: DESS (Distributed Energy Storage System)

Certification for Non-dangerous Goods (Non-hazardous)

We hereby certify that the above-mentioned goods are non-hazardous materials for Land and Sea storage and transportation in any nature. The consignment is fully described by proper shipping name and packed, marked and in proper condition for storage and carriage by Land or Sea. The consignment is not classified as Dangerous Goods under the current edition of IATA Dangerous Goods regulations and all applicable carriers and governmental regulations. The batteries are mounted well in the DESS to prevent short-circuit which may cause by the storage or moving.

We hereby also acknowledge that we are fully liable for damages resulting from any misstatement or omission and we further agree that any storage management and shipper involved in the carriage of this consignment may rely upon this certification.

Thank you for your kind attention.

Yours faithfully

BYD COMPANY LIMITED

A blue ink stamp and handwritten signature. The stamp reads "For and on behalf of" in italics, followed by "比亚迪股份有限公司" in Chinese characters and "BYD COMPANY LIMITED" in English. Below the stamp is a handwritten signature "Li Xia" in blue ink. Underneath the signature is a dotted line and the text "Authorized Signature(s)" in italics.
