### Compatibility Statement

Dear Customer,

Thanks for your continuous support for BYD Battery-Box. As the manufacturer of BYD Battery-Box, we are always keen on working with the top inverter brands to provide customer the best solution in the market. In order to provide more choices to the customer, we worked with Kaco on the compatibility in the past several months. We are happy to inform you the compatibility between the Kaco Blueplanet Hybrid and BYD Battery-Box HV is finally approved.

Yours sincerely,
